INDUSTRIAL FOOD MANAGEMENT

Serving You with the Best

welcome

WELCOME

IFM is one of the most established and leading providers of corporate catering services in northern India. We have a wide array of experience in corporate catering and can offer you the best quality of food and services always. We are passionate about our work and are constantly innovating ways to churn out the most healthy menus for your staff.

At IFM, we are instilled with the desire to serve others with sincerity, total quality management, years of experience in food service management and operations. We are a company which has a record of 100% legal compliances like, ESI, PF, Labour PFA and all other legal compliances essential for managing food services.

The Difference

- IFM has an experience of over 25 years of corporate catering.
- At IFM we take care of external & internal customers as well as our vendors to cumulatively bring about excellent results in the form of good food!
- We offer our clients a wide array of healthy, nutritious options.
- Our works and equipment are ultra modern and we adhere to stringent quality & hygiene standards.
- To add to it, we serve with a smile because we believe in serving our customers in a warm and congenial environment always.
- We are even cost effective since our highly motivated & trained team of managers expertise at controlling costs & providing excellent food service values.

INDUSTRIAL FOOD MANAGEMENT

about us

ABOUT US

IFM was established in 1982, by Mr. Sanjay Yadav and Mr. Kamal Yadav. The company has made its mark by consistently delivering reliable quality catering services to the needs of the large consumer base in India. Today we have a turnover of over 18 crore, serving around 15000 meals per day at over 16 locations in India. We have been able to transform the mundane act of daily cooking to a culinary art for organisations.

Our Manpower: We have around 250 trained employees in 3 different states that comprises of experienced chefs, dieticians, cooks and qualified technical people devoted to high standards of integrity and personal responsibility, respect for mankind, an appetite for hard work and a strong understanding of the tastes and needs of the highly diverse groups of people that we cater to.

Our Infrastructure: With the best of infrastructure state-of-the-art kitchens, a well-established network of centres in the NCR Delhi, a proof of high calibre food specialists, latest kitchen equipments, regular checkups of the quality of food, high personal hygiene standards, multi-cultural communication competencies, the services of Industrial Food Management can compete with the world's best.

The Inspiration

To be in demand, your skills will have to be flawless, your command over the culinary art thorough, and your training world-class. This is precisely why the immense knowledge and international exposure of Mr. Kamal Yadav and Mr. Sanjay Yadav, the dynamic heads behind the organisation, has made a difference.
